Day 1 Schedule

The secret of getting ahead is getting started. – Mark Twain

Session	Duration	Type
Graph Algorithms	105 mins	Study
Probability Theory	90 mins	Study
Revision: Graph Algorithms	53 mins	Revision
Revision: Probability Theory	45 mins	Revision

Today's Topics Checklist:

[ ] Graph Algorithms

[ ] Probability Theory

[ ] Revision: Graph Algorithms

[ ] Revision: Probability Theory

Day 2 Schedule

It always seems impossible until it's done. – Nelson Mandela

Session	Duration	Type
IoT Security and Privacy	90 mins	Study
Sorting and Searching Algorithms	90 mins	Study
Revision: IoT Security and Privacy	45 mins	Revision
Revision: Sorting and Searching Algorithms	45 mins	Revision

Today's Topics Checklist:

[ ] IoT Security and Privacy

[ ] Sorting and Searching Algorithms

[ ] Revision: IoT Security and Privacy

[ ] Revision: Sorting and Searching Algorithms

Day 3 Schedule

Don't watch the clock; do what it does. Keep going. – Sam Levenson

Session	Duration	Type
Strategic Role of Information Systems	90 mins	Study
Descriptive Statistics	75 mins	Study
IoT Concepts and Architectures	75 mins	Study
Revision: Strategic Role of Information Systems	45 mins	Revision
Revision: Descriptive Statistics	38 mins	Revision
Revision: IoT Concepts and Architectures	38 mins	Revision

Today's Topics Checklist:

[ ] **Strategic Role of Information Systems**

[ ] **Descriptive Statistics**

[ ] **IoT Concepts and Architectures**

[ ] **Revision: Strategic Role of Information Systems**

[ ] **Revision: Descriptive Statistics**

[ ] **Revision: IoT Concepts and Architectures**

Master Timetable

Day	Session	Duration	Type
Day 1	Graph Algorithms	105 mins	Study
Day 1	Probability Theory	90 mins	Study
Day 1	Revision: Graph Algorithms	53 mins	Revision
Day 1	Revision: Probability Theory	45 mins	Revision
Day 2	IoT Security and Privacy	90 mins	Study
Day 2	Sorting and Searching Algorithms	90 mins	Study
Day 2	Revision: IoT Security and Privacy	45 mins	Revision
Day 2	Revision: Sorting and Searching Algorithms	45 mins	Revision
Day 3	Strategic Role of Information Systems	90 mins	Study
Day 3	Descriptive Statistics	75 mins	Study
Day 3	IoT Concepts and Architectures	75 mins	Study
Day 3	Revision: Strategic Role of Information Systems	45 mins	Revision
Day 3	Revision: Descriptive Statistics	38 mins	Revision
Day 3	Revision: IoT Concepts and Architectures	38 mins	Revision
